The month of May is all about honoring people we love and others we might have lost. We particularly honor mothers on Mother's Day as well as remember veterans of the armed forces on Memorial Day. It is always a great idea to step back, put our thoughts of work aside for a bit and embrace the ideals of those two holidays. As a realtor, a mother, grandmother and daughter of a deceased veteran, these holidays have great meaning to me. Have a safe celebration this month.
